Shawna, Andrew, Becky:

Attached are the briefing materials for Mathy's trip. I have set them up the way I plan to create the briefing book for Dennis (so the major tabs would be Itinerary, Tribal Lands Forum, Wednesday, Thursday, Friday, and AK Key Issues). Of course, you should set it up the way Mathy likes.

I've tried to go through everything to check for errors, but there may still be a few; if I have any edits I will send them to you tomorrow. There are also a few additional briefing papers that were not completed in time. If I don't send you any additional materials tomorrow, I will have a supplemental folder waiting for Mathy at his hotel Tuesday night.

Please let me know if you have any questions/comments/concerns/additional needs.
